STATE OF NEVADA
COUNTY OF CLARK

I, Lance M. Olson, P.E., being first duly sworn, depose and say that site inspections have been made by me, or under my supervision and direction, in the year 2004; that the location of each reference monument has been verified by site inspection; that the point of diversion has been inspected; that this map, consisting of 1 sheet, prepared by me, or under my supervision and direction, relying upon analysis of recorded survey maps and other recorded surveying documents in the office of the State Engineer, State of Nevada, that this map truly and correctly represents the proposed location and extent of the works used to divert water from the Bonanza/Mojave Water Resource Center, in Clark County, Nevada, by the City of Las Vegas, for irrigation purposes under Permit No. 64853-S01. That the point of diversion, the location, size of the diverting channel or other conduit, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Permit No. 64853-S01 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
