

M.D. & B.M.

STATE OF NEVADA SS:
COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 11th day of May, 2001; that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Pershing County by Garrett van Diest, Inc. for irrigation purpose under Application No. 65031. That the point of diversion, the location and size of the conduits and channels, the location and extent of the lands owned by the applicant upon which water applied for under Application No. 65031 is used, and the location and names of all other works or streams which are crossed by or connected with the said works are fully and correctly designated thereon.

Subscribed and sworn to before me on the 14th day of May, 2001.

Diane Perez
Notary Public in and for the
County of Washoe, State of
Nevada

Bearing sources are government plats dated March 2, 1971 and August 4, 1969.

Found corners "BC" are standard government brass cap monuments.
