I, George G. Lindesmith, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, on October 31, 2007; that it truly and correctly represents the proposed location and extent of works used to divert water from an underground source in Lyon County, Nevada, by DONALD W. RENNER and LASHLE M. RENNER for irrigation purposes under Permit No. 65468. That the proposed point of diversion, the location, size of the diverting channel or other conduit, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under said Permit is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

George G. Lindesmith
State Water-Right Surveyor No. 704
11-20-2007

Subscribed and sworn to before me on this 20th day of November, 2007.
