I, Glen C. Armstrong, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes and maps prepared by US Geomatics, that it truly and correctly represents the existing location and extent of works and the location and extent of the works used to divert water from the Truckee River in Washoe County, Nevada, by Kenneth L. Dallimore and Lindy L. Nunn for As Decreed purposes under Permit No. 66168, that the Point of Diversion, the location, size of the diverting channel or other conduit, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Permit No. 66168 is used, together with the area and kind of culture in each 40 acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
