I, John R. Langford, being first duly sworn, depose and say that this map, consisting of 1 sheet, numbered 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, between the 16th day of November, 2003, and the 27 day of January, 2004; that it truly and correctly represents the proposed location and extent of the works used to divert water from surface, in the County of Lyon, State of Nevada, by Charles E. Day, for irrigation purposes under Permit No. 70904. That the point of diversion, the location, size of the diverting channel or conduit, location and description of all measuring devices, the location and extent of the lands owned or controlled by the applicant upon which water applied for under Permit No. 70904 is used, together within the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

John R. Langford
State Water Right Surveyor PLS4957
