I, Dean Neubauer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 18th day of March, 2010 and the 22nd day of March, 2010; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source, in Lincoln County, Nevada by Michael Heizer for irrigation purposes under Permit No. 70982. That the point of diversion, the location, size of the diverting channel or other conduit, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Permit No. 70982 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
