I, Michael D. Buschelmann, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from a survey made by me, or my supervision and direction, on December 26, 2012; that it truly and correctly represents the irrigated acreage from waters of the Truckee River in Washoe County, Nevada, by the CLC FAMILY TRUST for irrigation purposes under Permit No. 72364.
That the location and extent of lands owned or controlled by the permittee upon which water applied for under said Permit is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of streams and ditches are fully and correctly designated thereon.
