I, Arthur V. Doane, being duly sworn says that he is the person employed to make the survey for the Long Valley Land and Development Co. and that the survey of said company's ditches and reservoirs are described as follows:

A ditch whose termini are respectively N. 20° 50 W - 1080 ft from the SE Cor of Sec 11, T 42 N. R 19 E and N 2° 15 E - 800 ft from the S ¼ Cor Sec 34, T 43 N. R 20 E., and whose length is 37126 ft. and a ditch whose termini are respectively S. 6° 55 W 3220 ft from S.W. Cor. Sec 34 T 43 N. R 20 E. and S 22° 26 W - 3860 ft from S.W. Cor Sec 19 T 43 N - R 21 E. and is 9850 ft long and a reservoir whose initial point is N 48° 33 E - 800 ft. from the S ¼ Cor. Sec 34 T 43 N. R 20 E. M.D. B & M. was made by him as surveyor employed by the Company and under its authority, commenced on the 20th day of November 1908 and ended on the 18th day of December 1908 and that the survey of the said ditches and reservoir accurately represents a proper grade line for the flow of water, and accurately represents a level line which is the proposed water line of the said reservoir and that such survey is accurately represented on this map and by the accompanying field notes, and no lake or labeled stream or stream bed is used for the said ditches and reservoir, except as shown on this map.

Arthur V. Doane

Sworn and Subscribed to before me this 7th day of January, 1909

J. Doane
Notary Public

My commission expires January 15th, 1911.

I, C. Johnson, Jr., a Civil Engineer employed by the Long Valley Land and Development Co. for the said Arthur V. Doane, who subscribed the above affidavit was employed to make the survey by the said Company and the survey of the said ditches and reservoir as accurately represented on this map, and in the accompanying field notes was made under the authority of the Company, that at the time survey was duly authorized by its articles of incorporation to construct the said ditches and reservoir upon the location as shown upon this map, that the said ditches & reservoir as represented on this map and in said field notes, was adopted by the Company by resolution of its Board of Directors on the 21st day of September 1908 as the definite location of the said ditches and reservoir described as follows:

A ditch whose termini are respectively N 20° 50 W - 1080 ft from the SE Cor of Sec 11, T 42 N. R 19 E and N 2° 15 E - 800 ft from the S ¼ Cor. Sec 34 T 43 N. R 20 E. and whose length is 37126 ft. and a ditch whose termini are respectively - S 6° 55 W - 3220 ft from the S.W. Cor. of Sec 34 T 43 N. R 20 E and S 22° 26 W. 3860 ft from the S.W. Cor of Sec 19 T 43 N, R 21 E, and is 9850 ft long, and a reservoir whose initial point is N 48° 33 E - 800 ft. from the S ¼ Cor of Sec 34, T 43 N., R 20 E. M.D. B & M. and that no lake or labeled, stream or streambed is used for the said ditches and reservoir except as shown on this map; and that this map has been prepared to be filed for the approval of the Secretary of the Interior, in order that the Company may obtain the benefits of Sections 18 to 21 inclusive of the Act of Congress, approved March 3rd 1891 entitled "An Act to Repeal Timber Culture Laws and for other purposes" and section 2 of the act approved May 11th 1898, and I further certify that the right of way herein described is desired for the main & whose of irrigation alone.
