I, E. O. McClellan, of Elko, County of Elko, State of Nevada, hereby certify that the above map is a true and accurate plat of the irrigation works as taken from the field notes of a survey made by me on the 3rd day of August, 1911, and at the instance of Frank Winzell; that it represents the works described in Application No. 1679, together with the location of streams and ditches in the immediate vicinity.

E. O. McClellan
Surveyor.
