 I, Frank Walker, being first duly sworn depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on the 23 day of December 1936; that it truly and correctly represents the location and extent of the proposed works used to divert water from Pahrock Water Shed, in Lincoln County, by James Ryan et al, for stockwatering purposes. That the proposed diversion, the approximate location and size of the storage reservoirs, and the location and name of all other works in the vicinity are fully and correctly designated thereon.

Frank Walker
 State Water Right Surveyor

Subscribed and sworn to before me
 this 2, day of January 1937.
