

STATE OF NEVADA, }
 COUNTY OF ELKO } ss

I, E. C. Stephens, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 25th day of July and the 27th day of July, 1937; that it truly and correctly represents the location and extent of the proposed works used to divert water from the Mountain City Copper Mine in Elko County by the Mountain City Copper Company for milling and domestic purposes. That the proposed points of diversion and return, the location of the mill, the approximate size and capacity of the diverting channel, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
