

STATE OF NEVADA }
 COUNTY OF ESMEERALDA } SS.

I, Ed. S. Giles, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on the 27th day of April, 1940 that it truly and correctly represents the proposed location and extent of the works used to divert water from Whitney Well in Nye County by G.W. and John Dunsmore and E.S. Gillette for mining and milling purposes: That the proposed point of diversion, the approximate position of the diverting pipe line, the location of all other works which will cross or connect with the proposed works and the boundaries of all lands, showing by forty acre subdivisions the location of the proposed point of diversion, development and places of use, are fully and correctly designated thereon.

Ed. S. Giles
 STATE WATER RIGHT SURVEYOR

Subscribed and sworn to before me
 this 15th day of July, 1940.
