I, R.W. Prince, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me the 20th day of November, 1940; that it truly and correctly represents the location and extent of the works used to divert water from the spring in the NW 1/4 of the SE 1/4 Sec. 24, T.15N.
