I, FRANK WALKER, being first duly sworn depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on the 14 day of Aug. 1940; that it truly and correctly represents the proposed location and extent of the works used to divert water from SEVENOKES SEAP, by JOHN H. That the proposed point of diversion, the approximate location and size of the pipe and tank, the place and manner of use are fully and correctly designated thereon.
