County of Clark } ss

I, William Clark being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the Twenty Fifth day of June and the Thirtieth day of June, 1940; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Clark County, by John H. & Nellie Bunch for irrigation and domestic use. That the proposed point of diversion, the approximate location and size of the diverting pipe, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

William Clark  
State Water Right Surveyor.

Subscribed and sworn to before me this 25<sup>th</sup> day of July, 1940.

Wm W. [Signature]  
Notary Public in and for Clark County, Nevada.
