COUNTY OF LINCOLN }
I, Frank Walker, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, completed on the 20 day of March 1941; that it truly and correctly represents the location and extent of the proposed works used to divert water from STEWART RESERVOIR and ADAMS RESERVOIR, in Lincoln County, by W.B. Adams for stockwatering purposes. That the proposed point of diversion, the approximate location and size of the reservoirs, the place and manner of use, and the location and names of all other works which are crossed by, or connected with, the said works are fully and correctly designated thereon.
