 I, C.R. Townsend, being first duly sworn depose and say that this map has been correctly drawn to the designated scale from the field notes of the survey made by me on June 10, 1941. That it truly and correctly represents the proposed location and extent of work used to divert water from Eureka Creek, Eureka County by FRED BARTINE for irrigation purposes; that the proposed point of diversion, the approximate location and size of the diverting channel, and all other work which will cross or connect with the proposed works and the boundaries of all lands, showing by forty acre subdivisions the area proposed to be irrigated are fully and correctly designated thereon.

C.R. Townsend
 State Water Right Surveyor

Subscribed and sworn to before me this 31st day of July 1941.
