I, Van O. Eastland, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on the 14th day of October 1941; that it truly and correctly represents the proposed location and extent of the work used to divert water from an underground source, in Clark County, by M. That the proposed point of diversion, location, and size of well casing pipe, and the boundaries of all lands under this application, are correctly designated there on.
