I, Robert A. Allen, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the First day of February, 1942; that it truly and correctly represents the location and extent of the works used to divert water from a well in Clark County, Nevada, by Ivan M. Pinjuv for irrigation purposes under application No. 10757. That the point of diversion, the location and size of the diverting channel, and the area proposed to be irrigated are correctly designated thereon.

Subscribed and sworn to this 25 day of Feb, 1942
