I, C. R. Townsend, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 16th day of February and the 21st day of February, 1942; that it truly and correctly represents location and extent of the works used to divert water from the Virgin River, in Clark County, by Durrell Adams and Kay Bunker, for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

C. R. Townsend
STATE WATER RIGHT SURVEYOR

Subscribed and sworn to me this 23 day of March, 1942.

W. S. DeBelman
NOTARY PUBLIC IN & FOR WHITE PINE COUNTY, NEVADA

LEGEND
