I, C.R. Townsend, being first duly sworn depose and say, that this map has been correctly drawn to the designated scale from the fieldnotes of a survey made under my supervision and direction between the 17th and 21st days of August, 1942; that it truly and correctly represents the location and extent of the works used to divert water from Antelope Well in Eureka County by the Bartholomae Oil Corporation, for stockwatering purposes; that the point of diversion, the location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works are fully and correctly designated thereon.

C.R. Townsend
State Water Right Surveyor.
