I, Frank Walker, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on the 25 day of April 1936; that it truly and correctly represents the location and extent of the works used to divert water from Bishop Spring, in Lincoln County, by John H. Conaway 1/2 and P.W. Duffin, Mamie R. Duffin, Thomas J. Duffin, Press W. Duffin Jr. 1/2 for stockwatering purposes. That the point of diversion, the location and size of the diverting works, the place and manner of use, and the location and name of all other works or streams which are crossed by, or connected with said works, are fully and correctly designated thereon.
