

STATE OF NEVADA
County of Ormsby ss.

I, W.T. Holcomb, being first duly sworn, depose and say that this map, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the twenty-eighth day of September and the thirtieth day of September, 1943; that it truly and correctly represents the proposed location and extent of the works used to divert underground water from a drilled well in Ormsby County, by Robert Landsborough, for irrigation, stockwatering and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting conduit, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing the place of use of water, are fully and correctly designated thereon.

W. T. Holcomb

Subscribed and sworn to before me this first day of October, 1943.

Notary Public in and for Ormsby County, Nevada.
