County of Washoe }

I, John E. Curran, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, between the 24th day of April, and the 25th day of April, 1945; that it truly and correctly represents the location and extent of the works used to divert water from King Spring in Washoe County by OGLE SWINGLE for irrigation purposes; that the point of diversion, the location and size of the diverting pipeline, all reservoirs or basins, the location and names of all other works which cross or connect with the works, and the boundary of all lands, showing by 40 acre subdivisions, the areas and the kinds of culture irrigated, are fully and correctly designated thereon.
