STATE OF NEVADA,
County of Washoe

I, John D. Franklin, being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale, from field notes of a survey made under my supervision, on the 15th day of June 1945; that it truly and correctly represents the proposed location and extent of the works used to divert water from Unamed Springs, in Washoe Co., by Ethel and Harry Frost, for irrigation and stock-watering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

John D. Franklin
State Water Right Surveyor.
