I, ROBERT F. GUINN, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the twenty second day of July, 1945; that it truly and correctly represents the location and extent of the works used to divert water from an unnamed spring in Washoe County by IRA BLUNDELL for stockwatering purposes. That the point of diversion, the location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
