I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from the field notes of U. S. Mineral Survey No. 4133, and the field notes of a survey made by me on the 7th day of November 1945; that it truly and correctly represents the location and extent of the proposed works used to divert water from Black Canyon Creek in Pershing County by Sue Magee Gamble for mining and milling purposes. That the proposed point of diversion, the approximate location and size of the conduit, the place and manner of use, and the location and names of all other works are fully and correctly designated thereon.
