

STATE OF NEVADA } SS
 COUNTY OF HUMBOLDT }
 I, W.A. Wentz, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 3rd day of June, and the 4th day of June, 1946; that it truly and correctly represents the location and extent of the proposed works used to divert water from mine tunnel in Rockhill Canyon, in Pershing County, Nevada by Marguerite D. Quinby for mining and domestic purposes. That the proposed point of diversion and return, the location place of use, the approximate size and capacity of the conduit, and the location and names of all the other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
