W.H. Settelmeyer, being first duly sworn, depose and say that this map, has been correctly drawn to the designated scale from field notes of a survey made by me on the 26th day of August 1945; that it truly and correctly represents the proposed location and extent of the works to be used to divert water from Little Cotton Wood Creek in Eureka County, by Dan Filippini, for irrigation. That the proposed point of diversion, the approximate location of the diverting channel, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands proposed to be irrigated, are fully and correctly designated thereon.
