

State of Nevada s.s.  
 County of Washoe

I, John E. Curran, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between June 1 & June 15, 1943 and March 11 to March 13th 1946, that it truly and correctly represents the location and extent of the works used to divert water from Spearment Canyon Springs in Mineral County, by the Town of Mina, Nevada for Domestic Supply and Municipal Purposes; That the point of diversion, location of the distribution system, the size and capacity of pipe line and storage tank, and the location and size of all other works connected with said works are fully and correctly shown hereon.
