 W.H. Settelmeyer, being first duly sworn, depose and say that this map, has been correctly drawn to the designated scale from field notes of a survey made by me between the 11th and 14th days of October 1945; that it truly and correctly represents the location and extent of the proposed works to be used to divert water from Circle or Duck Creek in Elko County, by Petan Company for stockwatering and irrigation purposes. That the proposed point of diversion, the approximate location of the diverting channel, the place and manner of use, are fully and correctly designated hereon.
