

STATE OF NEVADA } SS
 COUNTY OF HUMBOLDT }

I, W. A. Wentz, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, between the 7th day of August and the 9th day of August, 1946; that it truly and correctly represents the proposed location and extent of the works used to divert water from Kelley Creek, in Humboldt County, by James R. and John G. Murdock, for irrigation purposes.

That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
