 COUNTY OF ESERALDA } ss
 I, Ed. S. Giles, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the seventeenth day of May, 1946 and correctly represents the location and extent of the works used to divert water from Gold Gulch Well No. 1 and No. 2 in Nye County, by V.E. Greenwald for stockwatering: That the point of diversion, the location of the diverting conduit and the place and manner of use and the location and names of all other works and streams which will be crossed by or connected with the said works are fully and correctly designated thereon.
