I, Ed. S. Giles, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on the 30th and 31st day of January, 1947 and it correctly represents the location and extent of work used to divert water from TIMBER MOUNTAIN SPRING and WAGON SPRING both in Nye County, by V.E. GREENWALD for stock watering. That the point of diversion, the location of the diverting conduit and the place and manner of use and the location and names of all other works and streams which will be crossed by or connected with the said works are fully and correctly designated thereon.
