 County of Esmeralda }

I, Ed S. Giles, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 22<sup>nd</sup> day of March, 1947; that it truly and correctly represents the location and extent of the proposed work used to divert water from an underground source, in Nye County, by Emma L. Oeder irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, the location and names of all other works which will be crossed by or connected with the said works, and the boundary of all lands, showing by 40-acre subdivisions the area to be irrigated, are fully and correctly designated thereon.
