I, Harry D. Willis, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by Harlan Brown on the 11th day of April, 1947; that it truly and correctly represents the location and extent of the works used to divert water from Rye Patch Springs in Section 12 T.16S, R.59E., Clark County by the Fish and Wildlife Service for stockwatering purposes; that the points of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works are fully and correctly designated thereon.
