 W.H. Settelmeyer being first duly sworn, deposes and say that this map, has been correctly drawn to the designated scale from field notes of a survey made by me on the 19th day of October 1947; that it truly and correctly represents the location and extent of the works used to divert water from springs, in White Pine County, by Vicinti Jauristi for stockwatering purposes. That the point of diversion, the location and size of the diverting conduits, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
