STATE OF NEVADA
 COUNTY OF ESMEERALDA } s.s.

I, Ed. S. Giles, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 28 day of April, 1947; that it truly and correctly represents the proposed location and extent of the works used to divert water from Little Juniata Spring in Mineral County, by Security Industrial Corporation, for Mining and Milling purposes. That the proposed point of diversion, the approximate position of the diverting pipe lines, the location of all other works which will be crossed by or connected with the proposed works, the place and manner of use, are fully and correctly designated thereon.
