

STATE OF NEVADA } ss.
 County of Esmeralda.....

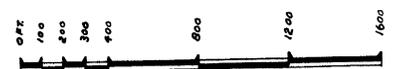

I, William H. Hisle, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 14th and 15th days of August, 1947; that it truly and correctly represents the location and extent of the work used to divert water from Stingler Spring, in Nye County, by H.L. Titus and Madison Locke for stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, the place and manner of use, and the location of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.

William H. Hisle
 STATE WATER RIGHT SURVEYOR.

Subscribed and sworn to before me this 21st day of August, 1947.
