I, Walter G. Reid, being first duly sworn,
depose and say that this map, consisting
of 1 sheet, has been correctly drawn to
the designated scale from field notes of
a survey made by me between the 2nd
day of February and the 10th day of Feb-
ruary, 1948; that it truly and correctly
represents the proposed location and extent
of the works used to divert water from
Blackwell Drainage Canal, in Lyon County,
by August Bunkowski, for irrigation purposes.
That the proposed point of diversion, the
the approximate location and size of the
diverting channel, all reservoirs or basins,
the location and names of all other works
which will cross or connect with the
proposed works, and the boundry of all
lands, showing by 40-acre subdivisions
the areas proposed to be irrigated, are
fully and correctly designated thereon.

State Water Right Surveyor
