

STATE OF NEVADA } ss.
 COUNTY OF ELKO }
 I, J.L. Vandiver, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me between the 13th day of Aug. 1947 and the 27th day of Oct. 1947; that it truly and correctly represents the proposed location and extent of the works used to divert water from SALMON RIVER in Elko County, by ROBERT J. AGEE for irrigation purposes. That the proposed point of diversion, the approximate location, and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works and the boundary of all lands shown by 40-acre subdivisions the area proposed to be irrigated are fully and correctly designated thereon; That data obtained from maps of the same areas showing irrigated acreages and boundaries thereof, now of record in the State Engineer's Office has been incorporated in this map.

Subscribed and sworn to before me this 15 day of Jan 1948
