 I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 24th day of September and the 29th day of September, 1947; that it truly and correctly represents the location and extent of the proposed works used to divert water from CHINA SPRING, "sometimes known as Jensen Spring," in Douglas County, by JAMES & IDA COMPSTON for stockwatering purposes. That the proposed point of diversion, the approximate location of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with said works, are fully and correctly designated thereon.

Walter G. Reid
