I, F.W. Millard, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made under my direction between the 29<sup>th</sup> day of July and the 26<sup>th</sup> day of August, 1947; that it truly and correctly represents the location and extent of the proposed works used to divert water from COW WELL NO. 2 in Eureka County by the BARTHOLOMAE CORPORATION for stock watering purposes.

That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.

F.W. Millard  
 State Water Right Surveyor.

Subscribed and sworn to before me this 5<sup>th</sup> day of September, 1947
