I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 16th. day of February, 1948; that it truly represents the proposed location and extent of the works used to divert water from underground source, in Lyon County, by A. Nuti for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, with the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Walter G. Reid
State Water Right Surveyor.

Subscribed and sworn to before me this 25th day of February, 1948.

W. J. Henley
Notary Public in and for Storey County, Nevada.
