 COUNTY OF ELKO }^{ss}

I, W. H. Settelmeyer, being first duly sworn depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 27th day and the 28th of February 1948; that it truly and correctly represents the proposed location and extent of the works used to divert water from Wells No. 5 and 6 in Elko County by the U.C. Land and Cattle Co., Wilkins and Associates, Owners, for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated hereon.
