I, GEORGE VON TOBEL, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 13th day of January, 1948, that it truly and correctly represents the location and extent of the proposed works used to divert water from LAS VEGAS ARTESIAN BASIN, in CLARK COUNTY, by MAT KNECHT for Quasi-Municipal Use. That the point of diversion, approximate location and size of diverting channel or other conduit, place and manner of use, and the names and location of all works and streams which are crossed by or connected with the said works, are fully and correctly designated thereon.
