I, Frank Walker, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 31 day of Jan. and the 15 day of Feb. 1948; that it truly and correctly represents the location and extent of the proposed works used to divert water from Rock Corral and Bob Hamilton Springs, in Lincoln County, by Frank Thorley, for stockwatering purposes.

That the proposed point of diversion, the approximate location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with said works, are fully and correctly designated thereon.

Frank Walker
State Water Right Surveyor
