

STATE OF NEVADA
County of Washoe

I, D.H. Updike, being first duly sworn, depose and say that map, consisting of one sheet, has been correctly drawn to the designated scale from notes of a survey made by me on the 16th day of January, 1948; that it truly and correctly represents the proposed location and extent of the works used to divert water from a six casing well, in Washoe County, by J.R. Berns, for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and of the diverting, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

D.H. Updike
State Water Right Surveyor

Subscribed and sworn to before me this 6th day of February, 1948
Ellen M. Coatsworth
Notary Public in and for Washoe County, Nevada.
