I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 2nd day of February and the 10th day of February, 1948; that it truly and correctly represents the location and extent of the proposed works used to divert water from Underground, "Artesian", in Lyon County, by August Bunkowski for stockwatering and domestic purposes. That the point of diversion, the location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with said works, are fully and correctly designated thereon.

Walter G. Reid
