I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 1st. and 20th. day of March, 1948; that it truly and correctly represents the location and extent of the works use to divert water from underground source, in Lyon County, by E. J. & Anita Leveille for stockwatering & domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

Walter G. Reid
State Water Right Surveyor

Subscribed and sworn to before me this 29 day of March, 1948.
